Getting Married in the Maldives

Weddings in tropical climates

You have chosen to celebrate the most beautiful day of your life and your dream honeymoon in a tropical destination. In these picture-perfect surroundings, your wedding ceremony is still subject to weather conditions. When you select an outdoor venue for your wedding location, the resort or hotel will provide a back-up indoor location at no extra charge. However please be aware that by booking an outdoor venue you agree to this back-up option with no recourse to the property. On arrival the wedding coordinator will discuss with you the weather forecast and agree an appropriate date if needed. It is strongly recommended that you remain flexible with your actual wedding day during your stay to ensure it will be a day to remember.

Your wedding, your style

Whilst every effort is made to coordinate your wedding plans before arrival and therefore allowing you the time to relax and enjoy your stay, we do appreciate that you may want to discuss your wedding arrangements with your personal wedding planner early in your stay. You will have the opportunity to enhance your wedding setting in addition to the pre-booked items and services within the wedding package which cannot be cancelled or refunded.

Confirming your wedding plans

The balance of your wedding or blessing ceremony is due 30 days prior to arrival. A pro-forma invoice will be issued in good time to arrange payment. Securing your underwater wedding ceremony is subject to advanced confirmation of at least 14 days before arrival.

Cancellation policy

Securing your Sea Breeze wedding is subject to a 25% deposit of the total amount of your wedding ceremony. In the event you cancel your plans completely, the deposit will be forfeited. For underwater weddings, 50% of the total cost of your wedding ceremony will be retained for any cancellations within 14 to 7 days prior to your arrival at the resort whereas cancellations within 7 days imply that 75% of the total cost of your stay will be forfeited.
